REGISTRATION LOGIN FORGOTTEN PASSWORD

P4F application portal / Registration

Account creation (2025) **REGISTER TO THE SYSTEM**

Before applying, go through the information on the P4F website, p4f.fzu.cz, including the [Guide for Applicants](#), and the [FAQ](#) section. Download the mandatory [P4F research proposal template](#). Create your account here. Once you have filled in all the mandatory data, click on "Register to the system". Then, you will be able to apply to the P4F open call. All parts of the application need to be filled out prior to the submission of the application.

Resubmission is possible prior to the deadline of the call.

The blue "i" icon provides explanations for each item on the form.

PhD award

Applicants must be, at the date of P4F's call deadline, in possession of a doctoral degree. Awarded the doctoral degree are considered eligible to apply.

Country of Ph.D. Degree:

University of Ph.D. Degree:

Date of Ph.D. award:

Copy of Ph.D. Degree (or statement from university):

English translation of the Ph.D. Degree:

Eligibility consent

Applicants may be asked to provide further documentation to support the information stated here.

Hereby I certify I do not have more than 8 years of full-time equivalent experience in research since my Ph.D. award. In case of justifiable career breaks, I have explained it in the CV section.

I agree: ☐

I have not resided or carried out my main activity (work, studies, etc.) in the Czech Republic for more than 12 months in the 3 years immediately prior to the application deadline. Compulsory national service, short stays such as holidays and time spent as part of a procedure for obtaining refugee status under the Geneva Convention does not count towards the mobility rule.

I agree: ☐

I declare that I am not a permanent employee of the Institute of Physics of the Czech Academy of Sciences nor of ELI ERIC, ELI Beamline facility.

I agree: ☐

How did you find out about this opportunity?:

By submitting the P4F application, I agree to P4F's Terms and Conditions.

4. Please note that there are 4 online forms to be completed. By clicking on the selected form and on "Edit" button below the list of forms, you can start filling in the data.

8. Fill in the Ethics Issue Table and Ethics self-assessment form.

Ethics Issue Table and Ethics self-assessment | | Registration to: 10.10.2025

Ethics Issue Table

Answer the questions below. In case your answer is "Yes" to any of them, you must provide additional information about how these issues will be addressed in your research in the Ethics Self-Assessment.

Any research project selected for funding that may involve the use of human embryonic stem cells (hESC) or human embryos (hE) may not start without the approval of the European ethics review and of the relevant Programme Committee completed by the communication of the explicit approval in writing from the REA. Please note, that receiving the approval may significantly delay the starting date of the research project and in extreme cases, it might not be possible to start it within the P4F time frame.

1. Human Embryonic Stem Cells and Human Embryos/Foetuses

Does this activity involve Human Embryonic Stem Cells (hESCs)? ☐ Yes ☐ No

Does this activity involve the use of human embryos? ☐ Yes ☐ No

Does your activity involve the use of other human embryonic or foetal tissues/cells? ☐ Yes ☐ No

2. Humans

Does this activity involve human participants? ☐ Yes ☐ No

Does this activity involve interventions (physical, also including imaging technology, behavioural treatments, etc.) on the study participants? ☐ Yes ☐ No

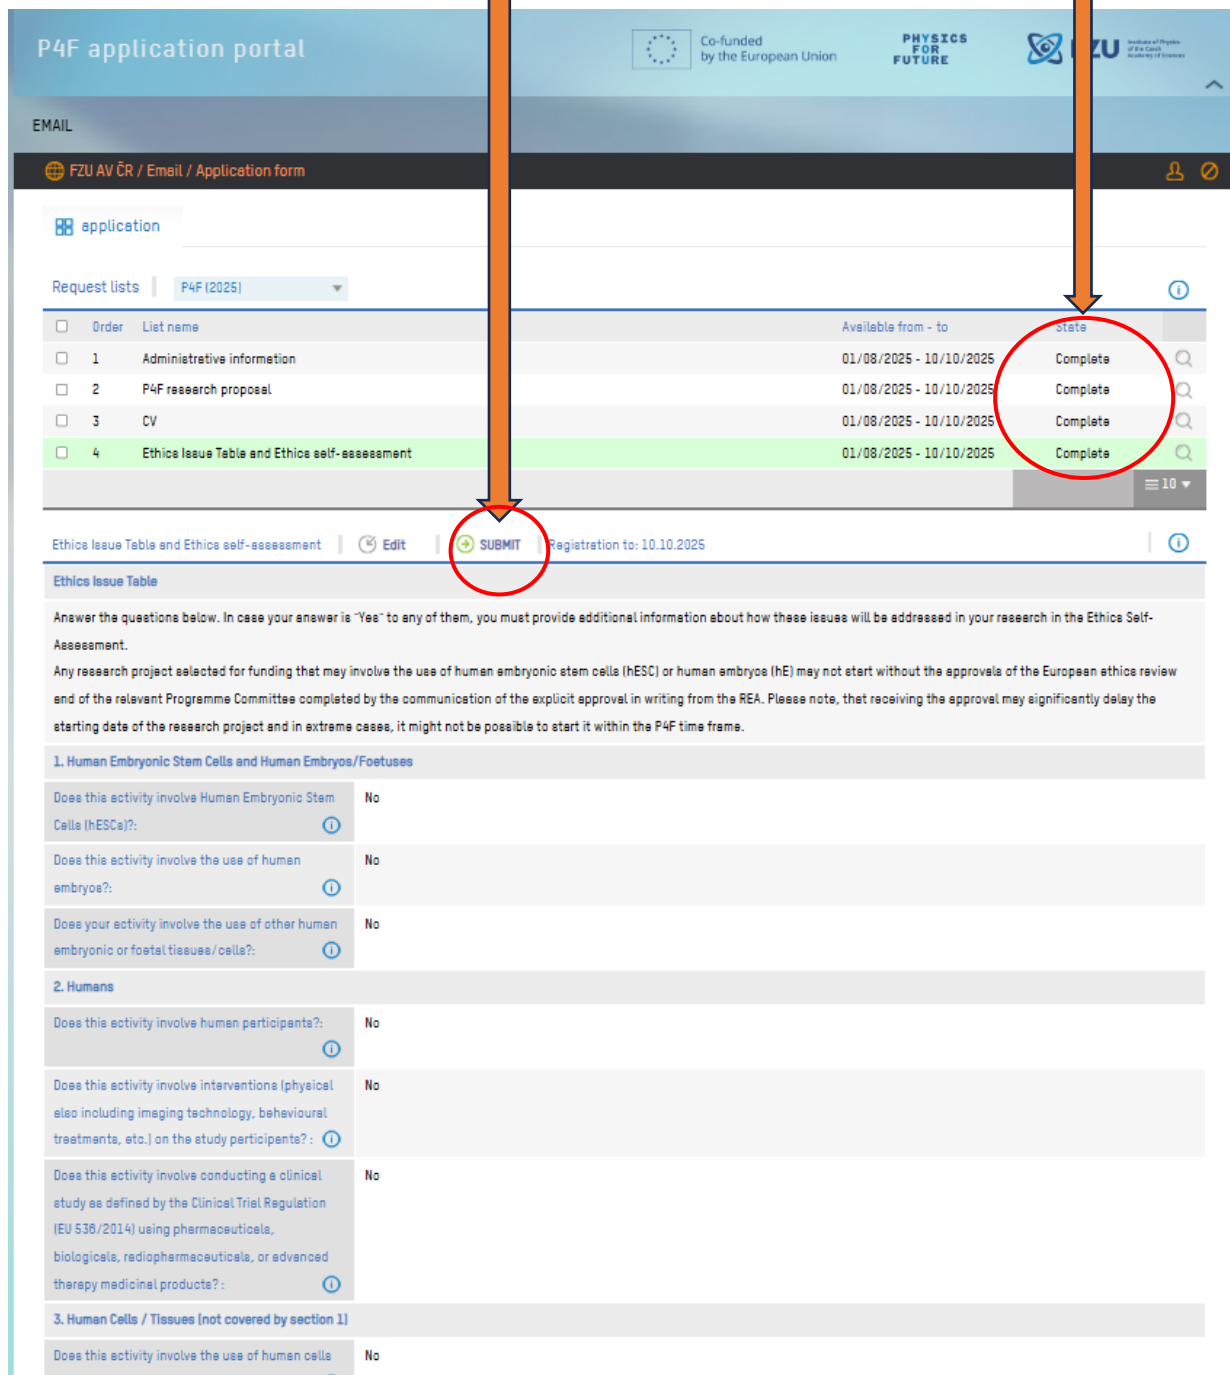

Does this activity involve conducting a clinical study as defined by the Clinical Trial Regulation (EU 536/2014) using pharmaceuticals, biologics, radiopharmaceuticals, or advanced therapy medicinal products? ☐ Yes ☐ No

3. Human Cells / Tissues (not covered by section 1)

Does this activity involve the use of human cells ☐ Yes ☐ No

Co-funded
by the European Union

9. Once you have completed all the forms, the status will change to “Complete” and you can submit the application by clicking on “Submit” button.

The screenshot shows the P4F application portal interface. At the top, there is a header with the P4F application portal logo, the European Union flag, and the text 'Co-funded by the European Union'. Below the header, there is a navigation bar with the text 'EMAIL' and a link to 'FZU AV ČR / Email / Application form'. The main content area shows a list of application forms with columns for 'Order', 'List name', 'Available from - to', and 'State'. The 'State' column for all listed forms is 'Complete'. A red circle highlights the 'Submit' button in the bottom right corner of the application form section. An orange arrow points from the text above to the 'Submit' button. Another orange arrow points from the text above to the 'State' column of the application forms.

Ethics Issue Table and Ethics self-assessment | Edit | **SUBMIT** | Registration to: 10.10.2025

Ethics Issue Table

Answer the questions below. In case your answer is "Yes" to any of them, you must provide additional information about how these issues will be addressed in your research in the Ethics Self-Assessment.

Any research project selected for funding that may involve the use of human embryonic stem cells (hESC) or human embryos (hE) may not start without the approvals of the European ethics review and of the relevant Programme Committee completed by the communication of the explicit approval in writing from the REA. Please note, that receiving the approval may significantly delay the starting date of the research project and in extreme cases, it might not be possible to start it within the P4F time frame.

1. Human Embryonic Stem Cells and Human Embryos/Fetuses

Does this activity involve Human Embryonic Stem Cells (hESCs)? : No

Does this activity involve the use of human embryos? : No

Does your activity involve the use of other human embryonic or foetal tissues/cells? : No

2. Humans

Does this activity involve human participants? : No

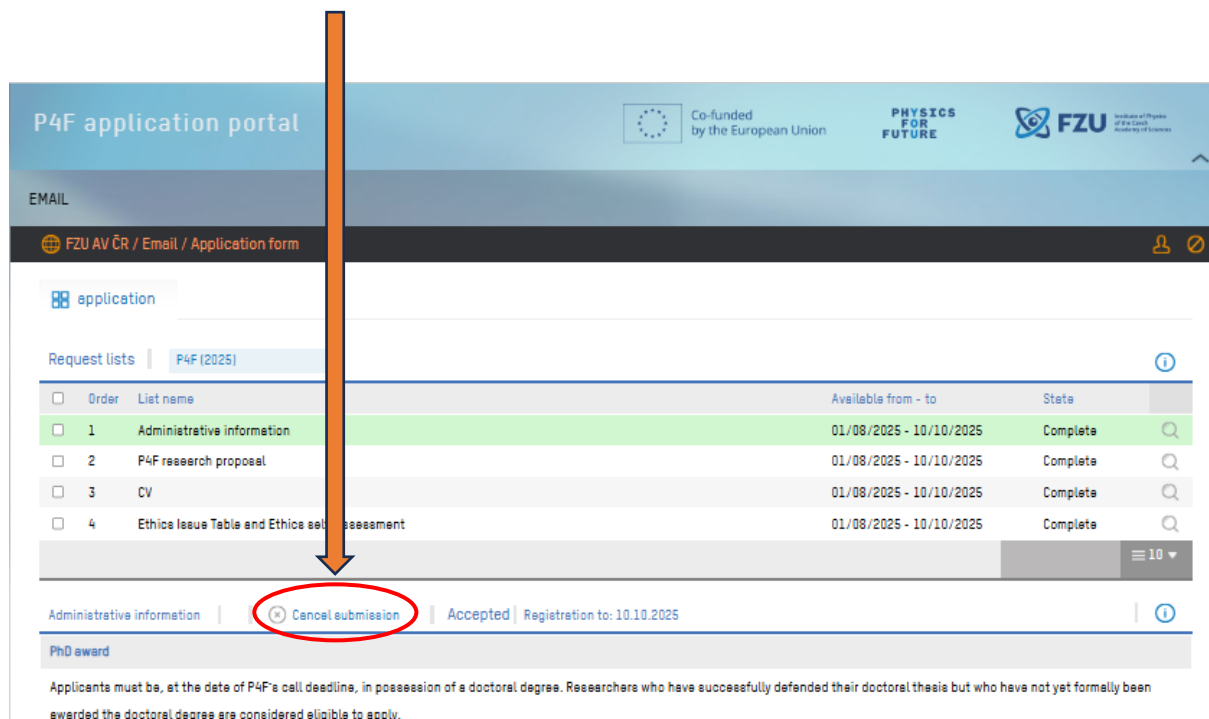

Does this activity involve interventions (physical also including imaging technology, behavioural treatments, etc.) on the study participants? : No

Does this activity involve conducting a clinical study as defined by the Clinical Trial Regulation (EU 536/2014) using pharmaceuticals, biologicals, radiopharmaceuticals, or advanced therapy medicinal products? : No

3. Human Cells / Tissues (not covered by section 1)

Does this activity involve the use of human cells : No

10. If you wish to make changes, you can cancel your submission by clicking on "Cancel submission" and resubmit your application before the call deadline.

The screenshot shows the P4F application portal interface. At the top, there is a header with the P4F application portal logo, the European Union flag, and the text 'Co-funded by the European Union'. Below the header, there is a navigation bar with 'EMAIL' and 'FZU AV ČR / Email / Application form'. The main content area shows a list of request lists for 'P4F (2025)'. The list includes four items: '1 Administrative information', '2 P4F research proposal', '3 CV', and '4 Ethics Issue Table and Ethics self-assessment'. All items are marked as 'Complete'. Below the list, there is a section for 'Administrative information' with a 'Cancel submission' button circled in red. An orange arrow points from the text above to this button. The page also includes a 'PhD award' section with a note about the deadline and eligibility.

Order	List name	Available from - to	State
1	Administrative information	01/08/2025 - 10/10/2025	Complete
2	P4F research proposal	01/08/2025 - 10/10/2025	Complete
3	CV	01/08/2025 - 10/10/2025	Complete
4	Ethics Issue Table and Ethics self-assessment	01/08/2025 - 10/10/2025	Complete

Administrative information | **Cancel submission** | Accepted | Registration to: 10.10.2025

PhD award

Applicants must be, at the date of P4F's call deadline, in possession of a doctoral degree. Researchers who have successfully defended their doctoral thesis but who have not yet formally been awarded the doctoral degree are considered eligible to apply.
